1. Don't fear, you good earth; now re - joice! Have you heard?
2. Don't fear, all you crea - tures who live in the field;
3. O God, as the pro - phet pro - claimed long a - go,
4. This sea - son, we gath - er to thank you and say:

The Lord has cre - a - ted you by his own word.
The pas - tures are rich and they give their full yield.
You care for your earth and your gifts ov - er - flow.
O God, you con - ti - nue to bless us to - day!

Don't fear, all you fields for God sends you the rain.
You crea - tures, now sing— for the mea - dows are green;
Though sin leads to things that dis - rupt and des - troy,
May we who've been blessed by the gifts of your hand

The farms ov - er - flow with the wine, oil and grain.
A - round us, good gifts of cre - a - tion are seen!
You work to re - deem and to bring life and joy.
Now care for the wa - ter, the air and the land.
