## Welcome to Ethical Earth Care: Keeping Creation Sacred

Presbyterians for Earth Care invites you to be a part of our 2013 Conference. We look forward to gathering together as co-stewards in Creation care during this challenging time where it seems there is little respect for our Sacred Sphere.

We invite you to gather together to reflect upon an ethic of Earth care which seeks the well-being of all Creation. Join us in this amazing work, with shared wisdom from many different prophets and leaders of our time.
