HOW ANOTHER PRESBYTERY APPROACHES EARTH CARE

The earth is the Lord's, and all that is in it. (Psalm 24:1)

We are called to stewardship of the earth. When we work to protect creation, we are answering God's call to till and keep the garden (Genesis 2:15). In the face of deepening ecological crises caused by the earth's warming, our call to act as earth's caretakers takes on more meaning. Let's get started!
