

OUTDOOR MINISTRY

PCCCA & Campfire Collective presentation for Presbyterians for Earth Care
Thursday, September 21, 2023

“In the end we will conserve only what we love,
we will love only what we understand,
and we will understand only what we are taught.”

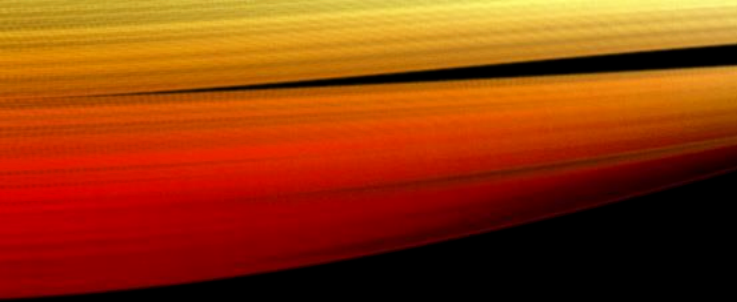

Baba Dioum (1968)

Introducing

FLOURISH NATURE SCHOOL

at Johnsonburg Camp and Retreat Center

Currently serving
ages 3 to 5

Outdoor Play
and Education

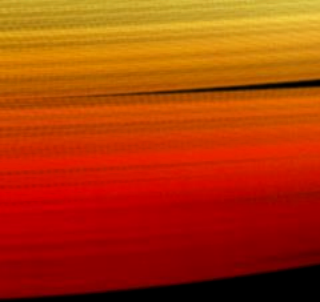

Whole Child
Development

82 YEARS

of EDUCATION, RECREATION and HEALING

IMMERSION IN NATURE

Ferndale Creek flows through the heart of the camp. Manmade lakes provide beauty and recreation, but over the years, sediment has built up.

This creates an aquatic ecosystem that is out of balance and requires expensive and continual maintenance to correct.

SEDIMENT BUILDUP AND DREDGING

BOARDWALK STREAM CROSSING

FAUNA ANALYSIS

halloween pennant

monarch

spring azure

luna moth
